Dear Mr. Dugan:

On April 5, 2017, representatives of the U.S. Environmental Protection Agency inspected the reference facility. The inspection was conducted under the authority of Section 3007 of the Resource Conservation and Recovery Act. A copy of the inspection report is enclosed for your information.

The EPA is presently reviewing the findings of the report to determine the referenced facility's compliance with the applicable statutes, permits or regulations. If it is determined that violations exist, the EPA reserves all rights it may have to take appropriate enforcement action, regardless if any violations were subsequently corrected.

If there are any questions regarding this report or actions that you may want to take, please contact me at (913) 551-7644.

Sincerely,

Rebecca Wenner
Compliance Officer
